

Promo

Dear Customer,

We are pleased to present you the eagerly awaited **Scoprega Promo 2025**, specially designed to make this season even more special and full of opportunities.

We have prepared for you an exclusive selection of high-quality products at absolutely advantageous prices. We invite you to browse through the brochure to discover in detail all the offers we have reserved for you.

Promo's unmissable bargains are waiting for you! Don't miss out on this fantastic opportunity to purchase the Scoprega products you want at exceptional prices.

This promotion is valid for a limited period: **from 6 May to 13 June 2025**.

We strongly advise you to hurry so as not to miss out on these exclusive offers.

We remain at your complete disposal for any questions or clarifications.

Kind regards,

Scoprega S.p.A.

2025

CONDITIONS OF PURCHASE

These purchase conditions govern orders placed during the specified promotional period. Please read them carefully to ensure a clear and transparent transaction.

MINIMUM ORDER VALUE:

In order to take advantage of the promotional conditions, a minimum total value of €1000 (one thousand Euros) per individual order is required.

PERIOD OF VALIDITY OF THE PROMOTION:

This promotion is valid for a limited period of time, namely from 6 May to 13 June inclusive. Customers are urged to consider the timing of orders in order not to miss this opportunity.

PAYMENT TERMS:

Payment of the total amount of the order must be made in full before the goods are shipped. We reserve the right not to proceed with shipment until we receive confirmation of payment. The payment methods accepted will be communicated in the order confirmation.

DELIVERY AND COLLECTION TERMS:

Products will be made available for delivery or collection ex works (EXW - Ex Works) at our premises. Collection and billing must be completed no later than 24 July 2025. Any delays in collection may result in additional storage costs, unless otherwise agreed in writing.

01. | INFLATORS

- ELECTRIC PUMPS
- HAND PUMPS

GE 20-2

High-efficiency electric inflator with low noise, double piston, no relay/microswitch. Easy to set pressure with pressure gauge and automatic shut-off. LED indicators integrated 12V DC battery (rechargeable with 110-240 AC/DC) and clamps for external 12V battery. Protective filter.

- INCLUDED IN THE BOX:**
- 1,25 m hose - Ø 21 mm in EPDM
 - Valve fittings
 - Shoulder bag
 - Battery charger
 - Cable with alligator - 12V power supply

118 €

USER MANUAL 	Functions
	Inflate

Item	Part number	Max. Pressure	Max air flow	Charge voltage	Charge current	Weight
GE 20-2	K6130702	1,5 bar (22.0 psi)	125 l/m	110/230 V	2 A	6,4 kg

GE 10-3

Easy-to-use two-stage inflators. The first stage produced by a turbine provides high air flow rates at low pressure. When the turbine reaches a pressure of ~80 mbar, it shuts down and automatically starts the two-stage compressor (thus having less air volume) so as to reach the maximum pressure of 300 mbar.

- INCLUDED IN THE BOX:**
- 1.70 m - Ø 21 mm PVC hose
 - Valve fittings
 - Shoulder bag
 - Cable with alligator clips

98 €

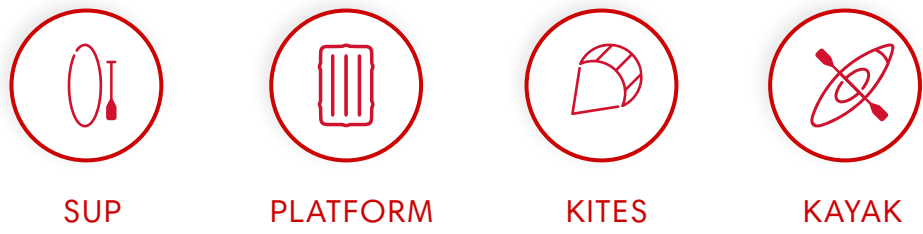

USER MANUAL 	Functions
	Inflate / Deflate

Item	Part number	Max. Pressure	Max air flow	Voltage	Charge current	Weight
GE 10-3	K6131800	300 mbar (4.4 psi)	450 l/m	9 ÷ 16 Vdc	13 A	2.5 kg

BP-1

The GE BP-1 is a high-efficiency portable electric inflator, which stands for reliability and functionality. It is equipped with an inflation system allowing inflation at a pressure between 10 and 1200 mbar, and with a control system ensuring automatic shut-down at the selected pressure.

INCLUDED IN THE BOX:

- 1,25 m hose - Ø 21 mm in EPDM
- Valve fittings
- Shoulder bag
- Charge cable with cigarette lighter plug
- Cable with alligator - 12V power supply

58 €

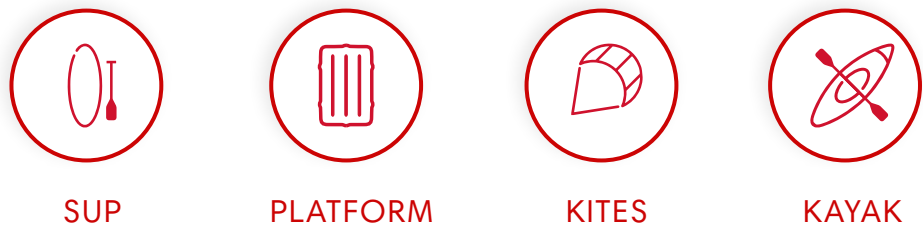

USER MANUAL 	Functions
	Inflate / Deflate

Item	Part number	Max. Pressure	Max air flow	Charge voltage	Charge current	Weight
BP-1	K6131320	1200 (17.4 psi)	160 l/m	12 Vdc	13 A	2 kg

GE 21-1 A

Designed for high-pressure applications. The desired pressure can be easily set, and the device will automatically stop once is reached. It is equipped with a standard cigarette lighter socket connection and it integrates a 12V DC battery that can be recharged either via the car's cigarette lighter socket or through a 110-240 AC/DC adapter, offering power supply flexibility.

INCLUDED IN THE BOX:

- 1,25 m hose - Ø 21 mm in EPDM
- Valve fittings
- Shoulder bag
- Charge cable with cigarette lighter plug
- Power supply charger

96 €

USER MANUAL 	Functions
	Inflate / Deflate

Item	Part number	Max. Pressure	Max air flow	Charge voltage	Charge current	Weight
GE 21-1 A	K6130801	1500 (22 psi)	125 l/m	12 Vdc	30 A	5,8 kg

SUPER F - WHITE

Super-F hand pump: more efficient (less effort) thanks to external aluminium tube. Pressure gauge on the lid for easy reading. Inflation port on the body to prevent kinking of the tube. In addition, the Super-F has a foldable base and the handles can be disassembled to save space in the package.

USER MANUAL 	Functions
	Inflate / Deflate

Item	Part number	Max. Pressure	Capacity	Inflate mode	Weight	Materials
SUPER F WHITE	GM1N0000	2.0 bar (29 psi)	2x2500 cc	double/single action	1,2 kg	ABS

- INCLUDED IN THE BOX:**
- 1.25 m hose - Ø 20 mm in LPDE + EVA
 - Valve fittings

15 €

SUPER F - BLACK

Super-F hand pump: more efficient (less effort) thanks to external aluminium tube. Pressure gauge on the lid for easy reading. Inflation port on the body to prevent kinking of the tube. In addition, the Super-F has a foldable base and the handles can be disassembled to save space in the package.

USER MANUAL 	Functions
	Inflate / Deflate

Item	Part number	Max. Pressure	Capacity	Inflate mode	Weight	Materials
SUPER F BLACK	6121717N	2.0 bar (29 psi)	2x2500 cc	double/single action	1,2 kg	ABS

- INCLUDED IN THE BOX:**
- 1.25 m hose - Ø 20 mm in LPDE + EVA
 - Valve fittings

15 €

BRAVO 100-D

The Bravo 100-D pumps represent a breakthrough in design and engineering, providing faster inflation with less effort, thanks to dual/single flow manual switching.

Equipped with a built-in pressure gauge and protective filter. The internal tubing is made of 75% recycled aluminium (CIRCAL®), demonstrating our commitment to sustainability.

USER MANUAL 	Functions
	Inflate / Deflate

Item	Part number	Max. Pressure	Capacity	Inflate mode	Weight	Materials
BRAVO 100-D	K6120540	1.9 bar (27.5 psi)	2x2000 cc	double/single action	1,2 kg	ABS + ALUMINUM

- INCLUDED IN THE BOX:**
- 1.25 m hose - Ø 20 mm in LPDE + EVA
 - Valve fittings
 - Rope for attachment to kite (GM6)

18 €

GM NXS

The GM NXS represent a new generation of environmentally sustainable hand pumps. The unique design ensures high efficiency and ease of use. The body is made of 75% recycled aluminum (CIRCAL®) provides greater impact resistance and increases reliability, reducing the use of plastic by more than 50%.

USER MANUAL 	Functions
	Inflate / Deflate

Item	Part number	Max. Pressure	Capacity	Inflate mode	Weight	Materials
GM NXS	K6121150	1.9 bar (27.5 psi)	2x1500 cc	double/single action	1,5 kg	ABS + ALUMINUM

- INCLUDED IN THE BOX:**
- 1.25 m hose - Ø 20 mm in LPDE + EVA
 - Valve fittings
 - Carrying bag

25 €

05. | AEDRA - Luxury Watersports

- KIT 4 KIDS
- ESSENTIAL SUP KIT

The image shows a dark, textured background resembling water or a rough surface. Overlaid on this is the word "AEDRA" in a stylized, white, sans-serif font. The letters are slightly tilted and have a subtle shadow effect, giving them a three-dimensional appearance as if they are floating or resting on the textured surface.

AEDRA

KIT 4 KIDS

The KIT 4 KIDS is the ideal kit for all young people who want to learn how to practice SUP. The practical and light board allows everyone to make turns in total safety and speed, while the large platform offers space on which young people can lie. The KIT is practical and convenient for carrying thanks to the handy bag. Inside, in addition to the SUP board, there is a fiberglass paddle and a hand pump for inflating.

- INCLUDED IN THE BOX:**
- Dropstitch board with EVA
 - Paddle
 - Travel bag
 - Super-F (handpump)

300 €

Item	Part number
KIT 4 KIDS - SUP KIT	EIS5301

ESSENTIAL

The AEDRA ESSENTIAL KIT is currently the only one able to guarantee transport comfort combined with compactness and lightness. Each object is stored and positioned in such a way that the weight is less noticeable and comfort is ensured. The ESSENTIAL KIT is composed of a SUP board, a sturdy and compact backpack, a carbon fibre paddle and a hand pump.

- INCLUDED IN THE BOX:**
- Dropstitch board with EVA
 - Paddle
 - Travel bag
 - Super-F (handpump)

650 €
